**YEAR 9 2018 SUBJECT SELECTION MARKET AND INFORMATION EVENING**

Tuesday 30th May, 2017

Dear Parents / Caregivers,

The **Year 9 2018** Subject Selection Market will take place on **Wednesday 7th June, 2017**. This evening will provide you and your child with the opportunity to gain a greater understanding of the requirements for choosing Year 9 and 10 electives and to hear an overview of the Stage 5 elective courses offered at the College. This is an important event as correctly selecting electives can significantly impacts a student's schooling success.

The Subject Market will be held from **4-7pm** in the Moran Hall, Clonard and St Francis buildings. Students and their parents are invited to attend the market and visit the 'subject stalls' which are designed to provide information about the courses that are offered. Class teachers and Leaders of Learning will be available to provide advice about courses and to answer specific subject-related questions.

Prior to this event, students will be issued with the *Year 9 Subject Selection Booklet* which provides a detailed description about each elective course. Having this booklet will allow you and your child the opportunity to peruse information prior to this event. Year 9 students will also be provided with detailed information about the subject selection process in a Year assembly prior to this event.

Students will be required to submit their preferences on the *Elective Course Selection Form* on **Thursday 8th June** to the Administration Coordinator, Mrs Colleen Mitchell. Please be aware that elective courses can only go ahead if there are enough students who choose them. Every effort will be made to ensure that a student's choices are met, however, in some cases, students may be required to re-select an elective course.

Also available at this event to provide information and answer questions will be the College Careers Advisor, Mr John Taccori, The Leader of Learning for Vocational Education and Training (VET), Mr John Sullivan, and Mr John Wills, Assistant Principal from the McCarthy Trade Training Centre.

Students **do not** need to wear their College uniform to this event.

If you have any questions about this event or the process for subject selection for Year 9 2018, please contact the relevant Leader of Learning for each subject area, or myself on 4754 8900.

Yours sincerely,

Carol Muscat  
Head of Learning
