

TWO IMPORTANT EVENTS FOR YEAR 10 STUDENTS

Thursday 21st May 2015

Dear Parents / Caregivers,

1) The **Year 11 2016** Information Night will take place on **Tuesday 2nd of June**. This evening will provide you and your child with the opportunity to gain a greater understanding of the requirements for the Higher School Certificate, to hear an overview of the Stage 6 courses offered at the College and to collect the Year 11 Subject Selection booklet – containing a more detailed description of course content.

This is a **compulsory** event for all current Year 10 students.
Students unable to attend will be required to catch up on this missed information at an alternate time.

This evening will be held from **6-7pm** in two venues;
Students – Presentation Space
Parents – Brauer Hall

2) The **Year 11 2016 Subject Market** evening will take place on the **10th of June, 2015**. This event will be held from **4-6pm** in the Clonard and St Francis buildings. The aim of this event is to provide parents and students with an opportunity to meet with teachers and to ask specific subject-related questions. This is an important event as correctly selecting electives can significantly improve the students' schooling success.
Also available at the Subject Market will be the College Careers Advisor, the Leader of Learning for Vocational Education and Training accredited subjects plus a representative from the McCarthy Trade School, Emu Plains.

If you have any questions about these event or the process for subject selections for Year 11 please contact the relevant Leader of Learning for each subject area, or myself on 02 47541022.

Yours sincerely,

Mr. Jaie Skinner
Head of Learning
