Dear Parent/Guardian,

This year College Sport will occur weekly on Thursdays for two periods. Sport uniform is to be worn to and from the College on Thursday; these requirements are contained in the College diary. Your child has Sport written on their College timetable. They will be involved in a House competition and will also receive regular coaching from professional athletes and coaches. A variety of sports will be played and students will already have a base knowledge and experience of these sports from the College's PDHPE program.

The sport program has been divided up into three seasons, each lasting approximately 13 school weeks. The Sport competition will be held the College. At the beginning of sport students will assemble at the Top Courts in the House groups. The College will provide all necessary sport specific safety equipment.
