

24<sup>th</sup> October, 2017

Dear Parent/Caregiver,

On Tuesday 14<sup>th</sup> November 2017, between 4.00pm and 6.00pm, the Apple Store in Penrith will host an iPad purchase evening for families of St Columba's students.

This event is arranged so that there will be extra Apple staff on hand to assist with the purchase and set up of iPads, within that time period.

The Apple staff can help with items such as the setting up of the iPad (including parental controls) or an Apple account (for downloading of apps).

We are of course, more than happy for families to purchase their iPads from anywhere (or at other times at the Apple store), but have organised this so that there is extra help available if needed.

Families can receive a discount when purchasing at the Apple store in Penrith by mentioning that they have a child at the College (both on the designated night, and at any other time).

Families can also receive the same discount when purchasing online via the special web page on our College website in the 'Learning' tab under 'What are my purchasing options?' on our 'iPads and Information and Communication Technology ICT' page at

**<http://www.stcolumbasspringwood.catholic.edu.au/en/Learning/iPads-and-ICT>**

For more information about which iPad to buy or our use of iPads at the College, please refer to the College website.

Yours sincerely,

Mr Paul Ryan,  
Principal
